History: 1976, Act 267, Eff. Mar. 31, 1977.

15.262 Definitions.

History: 1976, Act 267, Eff. Mar. 31, 1977;—Am. 2001, Act 38, Imd. Eff. July 11, 2001.

15.263 Meetings, decisions, and deliberations of public body; requirements; attending or addressing meeting of public body; COVID-19 safety measures; tape-recording, videotaping, broadcasting, and telecasting proceedings; accommodation of absent members; remote attendance; rules; exclusion from meeting; exemptions.

Sec. 3. (1) All meetings of a public body must be open to the public and must be held in a place available to the general public. All persons must be permitted to attend any meeting except as otherwise provided in this act. The right of a person to attend a meeting of a public body includes the right to tape-record, to videotape, to broadcast live on radio, and to telecast live on television the proceedings of a public body at a public meeting. The exercise of this right does not depend on the prior approval of the public body. However, a public body may establish reasonable rules and regulations in order to minimize the possibility of disrupting the meeting. For a meeting of a public body held in person before April 1, 2021, the public body shall do both of the following:

(a) To the extent feasible under the circumstances, ensure adherence to social distancing and mitigation measures recommended by the Centers for Disease Control and Prevention for purposes of preventing the spread of COVID-19, including the measure that an individual remain at least 6 feet from anyone from outside the individual's household.

(b) Adopt heightened standards of facility cleaning and disinfection to limit participant exposure to COVID-19, as well as protocols to clean and disinfect in the event of a positive COVID-19 case in the public body's meeting place.

(2) All decisions of a public body must be made at a meeting open to the public. For purposes of any meeting subject to this section, except a meeting of any state legislative body at which a formal vote is taken, the public body shall, subject to section 3a, establish the following procedures to accommodate the absence of

any member of the public body due to military duty, a medical condition, or a statewide or local state of emergency or state of disaster declared pursuant to law or charter or local ordinance by the governor or a local official, governing body, or chief administrative officer that would risk the personal health or safety of members of the public or the public body if the meeting were held in person:

(a) Procedures by which the absent member may participate in, and vote on, business before the public body, including, but not limited to, procedures that provide for both of the following:

(i) Two-way communication.

(ii) For each member of the public body attending the meeting remotely, a public announcement at the outset of the meeting by that member, to be included in the meeting minutes, that the member is in fact attending the meeting remotely. If the member is attending the meeting remotely for a purpose other than for military duty, the member's announcement must further identify specifically the member's physical location by stating the county, city, township, or village and state from which he or she is attending the meeting remotely.

(b) Procedures by which the public is provided notice of the absence of the member and information about how to contact that member sufficiently in advance of a meeting of the public body to provide input on any business that will come before the public body.

(3) All deliberations of a public body constituting a quorum of its members must take place at a meeting open to the public except as provided in this section and sections 7 and 8.

(4) A person must not be required as a condition of attendance at a meeting of a public body to register or otherwise provide his or her name or other information or otherwise to fulfill a condition precedent to attendance.

(5) A person must be permitted to address a meeting of a public body under rules established and recorded by the public body. The legislature or a house of the legislature may provide by rule that the right to address may be limited to prescribed times at hearings and committee meetings only.

(6) A person must not be excluded from a meeting otherwise open to the public except for a breach of the peace actually committed at the meeting.

(7) This act does not apply to the following public bodies, but only when deliberating the merits of a case:

(a) The Michigan compensation appellate commission operating as described in either of the following:

(i) Section 274 of the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.274.

(c) The employment relations commission or an arbitrator or arbitration panel created or appointed under 1939 PA 176, MCL 423.1 to 423.30.

(d) The Michigan public service commission created under 1939 PA 3, MCL 460.1 to 460.11.

(8) This act does not apply to an association of insurers created under the insurance code of 1956, 1956 PA 218, MCL 500.100 to 500.8302, or other association or facility formed under that act as a nonprofit organization of insurer members.

(9) This act does not apply to a committee of a public body that adopts a nonpolicymaking resolution of tribute or memorial, if the resolution is not adopted at a meeting.

(10) This act does not apply to a meeting that is a social or chance gathering or conference not designed to avoid this act.

(11) This act does not apply to the Michigan veterans' trust fund board of trustees or a county or district committee created under 1946 (1st Ex Sess) PA 9, MCL 35.602 to 35.610, when the board of trustees or county or district committee is deliberating the merits of an emergent need. A decision of the board of trustees or county or district committee made under this subsection must be reconsidered by the board or committee at its next regular or special meeting consistent with the requirements of this act. "Emergent need" means a situation that the board of trustees, by rules promulgated under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, determines requires immediate action.

(12) As used in subsection (2):

15.263a Electronic public meetings; telephonic or video conferencing; "agricultural commodity group" defined; permissibility under certain circumstances; 2-way communication required; advance notice of electronic meetings; availability of agenda; registration requirement prohibited; remote participation limited to military duty or medical condition.

Sec. 3a. (1) A meeting of a public body held, in whole or in part, electronically by telephonic or video conferencing in compliance with this section and, except as otherwise required in this section, all of the provisions of this act applicable to a nonelectronic meeting, is permitted by this act in the following circumstances:

(a) Before March 31, 2021 and retroactive to March 18, 2020, any circumstances, including, but not limited to, any of the circumstances requiring accommodation of absent members described in section 3(2).

(b) Subject to subdivision (d), on and after March 31, 2021 through December 31, 2021, only those circumstances requiring accommodation of members absent for the reasons described in section 3(2). For the purpose of permitting an electronic meeting due to a local state of emergency or state of disaster, this subdivision applies only as follows:

(i) To permit the electronic attendance of a member of the public body who resides in the affected area.

(ii) To permit the electronic meeting of a public body that usually holds its meetings in the affected area.

(c) Subject to subdivision (d), after December 31, 2021, only in the circumstances requiring accommodation of members absent due to military duty as described in section 3(2).

(d) On and after March 31, 2021, for a public body that is an agricultural commodity group, any circumstances, including, but not limited to, any of the circumstances requiring accommodation of absent members described in section 3(2). As used in this subdivision, "agricultural commodity group" means any of the following:

(i) A committee as that term is defined in section 2 of the agricultural commodities marketing act, 1965 PA 232, MCL 290.652.

(ii) The state beef industry commission created in section 3 of the beef industry commission act, 1972 PA 291, MCL 287.603.

(iv) The Michigan bean commission created in section 3 of 1965 PA 114, MCL 290.553.

(2) A meeting of a public body held electronically under this section must be conducted in a manner that permits 2-way communication so that members of the public body can hear and be heard by other members of the public body, and so that public participants can hear members of the public body and can be heard by members of the public body and other participants during a public comment period. A public body may use technology to facilitate typed public comments during the meeting submitted by members of the public participating in the meeting that may be read to or shared with members of the public body and other participants to satisfy the requirement under this subsection that members of the public be heard by others during the electronic meeting and the requirement under section 3(5) that members of the public be permitted to address the electronic meeting.

(3) Except as otherwise provided in subsection (8), a physical place is not required for an electronic meeting held under this section, and members of a public body and members of the public participating electronically in a meeting held under this section that occurs in a physical place are to be considered present and in attendance at the meeting for all purposes.

(4) If a public body directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the public body shall, in addition to any other notices that may be required under this act, post advance notice of a meeting held electronically under this section on a portion of the public body's website that is fully accessible to the public. The public notice on the website must be included on either the homepage or on a separate webpage dedicated to public notices for nonregularly scheduled or electronic public meetings that is accessible through a prominent and conspicuous link on the website's homepage that clearly describes its purpose for public notification of nonregularly scheduled or electronic public meetings. Subject to the requirements of this section, any scheduled meeting of a public body may be held as an electronic meeting under this section if a notice consistent with this section is posted at least 18 hours before the meeting begins. Notice of a meeting of a public body held electronically must clearly explain all of the following:

(a) Why the public body is meeting electronically.

(b) How members of the public may participate in the meeting electronically. If a telephone number, internet address, or both are needed to participate, that information must be provided specifically.

(c) How members of the public may contact members of the public body to provide input or ask questions on any business that will come before the public body at the meeting.

(d) How persons with disabilities may participate in the meeting.

(5) Beginning on the effective date of the amendatory act that added this section, if an agenda exists for an electronic meeting held under this section by a public body that directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the public body shall, on a portion of the website that is fully accessible to the public, make the agenda available to the public at least 2 hours before the electronic meeting begins. This publication of the agenda does not prohibit subsequent amendment of the agenda at the meeting.

(6) A public body shall not, as a condition of participating in an electronic meeting of the public body held under this section, require a person to register or otherwise provide his or her name or other information or otherwise to fulfill a condition precedent to attendance, other than mechanisms established and required by the public body necessary to permit the person to participate in a public comment period of the meeting.

(7) Members of the general public otherwise participating in a meeting of a public body held electronically under this section are to be excluded from participation in a closed session of the public body held electronically during that meeting if the closed session is convened and held in compliance with the requirements of this act applicable to a closed session.

(8) At a meeting held under this section that accommodates members absent due to military duty or a medical condition, only those members absent due to military duty or a medical condition may participate remotely. Any member who is not on military duty or does not have a medical condition must be physically present at the meeting to participate.

15.264 Public notice of meetings generally; contents; places of posting.

Sec. 4. The following provisions shall apply with respect to public notice of meetings:

(a) A public notice shall always contain the name of the public body to which the notice applies, its telephone number if one exists, and its address.

(b) A public notice for a public body shall always be posted at its principal office and any other locations considered appropriate by the public body. Cable television may also be utilized for purposes of posting public notice.

(c) If a public body is a part of a state department, part of the legislative or judicial branch of state government, part of an institution of higher education, or part of a political subdivision or school district, a public notice shall also be posted in the respective principal office of the state department, the institution of higher education, clerk of the house of representatives, secretary of the state senate, clerk of the supreme court, or political subdivision or school district.

(d) If a public body does not have a principal office, the required public notice for a local public body shall be posted in the office of the county clerk in which the public body serves and the required public notice for a state public body shall be posted in the office of the secretary of state.

History: 1976, Act 267, Eff. Mar. 31, 1977;—Am. 1984, Act 87, Imd. Eff. Apr. 19, 1984.

15.265 Public notice of regular meetings, change in schedule of regular meetings, rescheduled regular meetings, or special meetings; posting; statement of date, time, and place; website; recess or adjournment; emergency sessions; emergency public meeting; meeting in residential dwelling; limitation; notice; duration requirement.

Sec. 5. (1) A meeting of a public body shall not be held unless public notice is given as provided in this section by a person designated by the public body.

(2) For regular meetings of a public body, there shall be posted within 10 days after the first meeting of the public body in each calendar or fiscal year a public notice stating the dates, times, and places of its regular meetings.

(3) If there is a change in the schedule of regular meetings of a public body, there shall be posted within 3 days after the meeting at which the change is made, a public notice stating the new dates, times, and places of its regular meetings.

(4) Except as provided in this subsection or in subsection (6), for a rescheduled regular or a special meeting of a public body, a public notice stating the date, time, and place of the meeting shall be posted at least 18 hours before the meeting in a prominent and conspicuous place at both the public body's principal office and, if the public body directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, on a portion of the website that is

fully accessible to the public. The public notice on the website shall be included on either the homepage or on a separate webpage dedicated to public notices for nonregularly scheduled public meetings and accessible via a prominent and conspicuous link on the website's homepage that clearly describes its purpose for public notification of those nonregularly scheduled public meetings. The requirement of 18-hour notice does not apply to special meetings of subcommittees of a public body or conference committees of the state legislature. A conference committee shall give a 6-hour notice. A second conference committee shall give a 1-hour notice. Notice of a conference committee meeting shall include written notice to each member of the conference committee and the majority and minority leader of each house indicating time and place of the meeting.

(5) A meeting of a public body that is recessed for more than 36 hours shall be reconvened only after public notice that is equivalent to that required under subsection (4) has been posted. If either house of the state legislature is adjourned or recessed for less than 18 hours, the notice provisions of subsection (4) are not applicable. Nothing in this section bars a public body from meeting in emergency session in the event of a severe and imminent threat to the health, safety, or welfare of the public when 2/3 of the members serving on the body decide that delay would be detrimental to efforts to lessen or respond to the threat. However, if a public body holds an emergency public meeting that does not comply with the 18-hour posted notice requirement, it shall make paper copies of the public notice for the emergency meeting available to the public at that meeting. The notice shall include an explanation of the reasons that the public body cannot comply with the 18-hour posted notice requirement. The explanation shall be specific to the circumstances that necessitated the emergency public meeting, and the use of generalized explanations such as "an imminent threat to the health of the public" or "a danger to public welfare and safety" does not meet the explanation requirements of this subsection. If the public body directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, it shall post the public notice of the emergency meeting and its explanation on its website in the manner described for an internet posting in subsection (4). Within 48 hours after the emergency public meeting, the public body shall send official correspondence to the board of county commissioners of the county in which the public body is principally located, informing the commission that an emergency public meeting with less than 18 hours' public notice has taken place. The correspondence shall also include the public notice of the meeting with explanation and shall be sent by either the United States postal service or electronic mail. Compliance with the notice requirements for emergency meetings in this subsection does not create, and shall not be construed to create, a legal basis or defense for failure to comply with other provisions of this act and does not relieve the public body from the duty to comply with any provision of this act.

(6) A meeting of a public body may only take place in a residential dwelling if a nonresidential building within the boundary of the local governmental unit or school system is not available without cost to the public body. For a meeting of a public body that is held in a residential dwelling, notice of the meeting shall be published as a display advertisement in a newspaper of general circulation in the city or township in which the meeting is to be held. The notice shall be published not less than 2 days before the day on which the meeting is held, and shall state the date, time, and place of the meeting. The notice shall be at the bottom of the display advertisement, set off in a conspicuous manner, and include the following language: "This meeting is open to all members of the public under Michigan's open meetings act".

(7) A durational requirement for posting a public notice of a meeting under this act is the time that the notice is required to be accessible to the public.

15.266 Providing copies of public notice on written request; fee.

Sec. 6. (1) Upon the written request of an individual, organization, firm, or corporation, and upon the requesting party's payment of a yearly fee of not more than the reasonable estimated cost for printing and postage of such notices, a public body shall send to the requesting party by first class mail a copy of any notice required to be posted pursuant to section 5(2) to (5).

(2) Upon written request, a public body, at the same time a public notice of a meeting is posted pursuant to section 5, shall provide a copy of the public notice of that meeting to any newspaper published in the state and to any radio and television station located in the state, free of charge.

History: 1976, Act 267, Eff. Mar. 31, 1977.

15.267 Closed sessions; roll call vote; separate set of minutes.

Sec. 7. (1) A 2/3 roll call vote of members elected or appointed and serving is required to call a closed session, except for the closed sessions permitted under section 8(a), (b), (c), (g), (i), and (j). The roll call vote

and the purpose or purposes for calling the closed session shall be entered into the minutes of the meeting at which the vote is taken.

(2) A separate set of minutes shall be taken by the clerk or the designated secretary of the public body at the closed session. These minutes shall be retained by the clerk of the public body, are not available to the public, and shall only be disclosed if required by a civil action filed under section 10, 11, or 13. These minutes may be destroyed 1 year and 1 day after approval of the minutes of the regular meeting at which the closed session was approved.

15.268 Closed sessions; permissible purposes; applicability to independent citizens redistricting commission.

Sec. 8. (1) Except as otherwise provided in subsection (2), a public body may meet in a closed session only for the following purposes:

(a) To consider the dismissal, suspension, or disciplining of, or to hear complaints or charges brought against, or to consider a periodic personnel evaluation of, a public officer, employee, staff member, or individual agent, if the named individual requests a closed hearing. An individual requesting a closed hearing may rescind the request at any time, in which case the matter at issue must be considered after the rescission only in open sessions.

(b) To consider the dismissal, suspension, or disciplining of a student if the public body is part of the school district, intermediate school district, or institution of higher education that the student is attending, and if the student or the student's parent or guardian requests a closed hearing.

However, except as otherwise provided in this subdivision, all interviews by a public body for employment or appointment to a public office must be held in an open meeting pursuant to this act. (i) The search committee in the process, appointed by the governing board, consists of at least 1 student of the institution, 1 faculty member of the institution, 1 administrator of the institution, 1 alumnus of the institution, and 1 representative of the general public. The search committee also may include 1 or more members of the governing board of the institution, but the number does not constitute a quorum of the governing board. However, the search committee must not be constituted in such a way that any 1 of the groups described in this subparagraph constitutes a majority of the search committee.

(ii) After the search committee recommends the 5 final candidates, the governing board does not take a vote on a final selection for the president until at least 30 days after the 5 final candidates have been publicly identified by the search committee.

(iii) The deliberations and vote of the governing board of the institution on selecting the president take place in an open session of the governing board.
